Deposits Required for Standing as a Candidate

- £5,000 deposit (may be forfeited)
- £1,500 Mayoral Booklet contribution (optional)

To stand as a candidate a £5,000 deposit is required to be given in cleared funds between the first and last dates for returning your nomination papers.

This deposit is forfeited unless you poll more than 5% of the total valid first preference votes cast in the combined authority area.

Each candidate may optionally pay a non-returnable contribution towards the cost of producing a booklet that is sent to every elector within the combined authority area. This allows the candidate to submit a campaign statement (election address) as to why voters should vote for them. The contribution has been set by the CARO at £1,500 to reflect the actual production cost of the candidates share of the booklet. Candidates are not required to contribute to the cost of postage.
