WEST OF ENGLAND GREEN BUSINESS GRANTS

Price Engineered Solutions
LED Lighting and Roof Insulation

Project Cost: £34,750
Grant Awarded: £6,500

Based in Yatton, Price Engineered Solutions are a designer and manufacturer of heating and ventilation systems. They have used grant to insulate the roof of their premises as part of a total roof replacement, as well as replace existing fluorescent lighting with LED. These improvements have provided cost and carbon savings as well as improving the working environment for office and workshop staff.
