THE WEST OF ENGLAND'S RECOVERY PLAN

Our recovery plan, led by the Recovery Taskforce, includes measures to help businesses adapt to the new economic landscape and improve resilience, as well as support for residents to develop new skills, training and employment opportunities.

Our Recovery Plan has five key ambitions:

1

Rebuilding business, helping new and existing businesses to survive and thrive; to safeguard existing and create new jobs

2

Getting residents back into jobs that pay above the living wage and offer employment security through training and work to match skills to opportunities

3

Strengthen inclusion, preventing further widening of inequalities and building an inclusive economy where everyone has the opportunity to achieve their potential

4

A green recovery, using changes in behaviour brought about by the pandemic to accelerate transition to net zero carbon

5

Renewing places, creating greener, healthier, more vibrant places to live and work.

THE WEST OF ENGLAND GROWTH HUB

Bailey Balloons - supporting business recovery and resilience

Bailey Balloons is a hot air balloon operator based in Bristol. With a reduction in bookings of 90% in 2020, they got in touch with the Growth Hub who were able to signpost them to grant funding and helped them to tap into local business networks for ongoing support.

Jo Bailey said:

“It’s been a really challenging year. The Growth Hub helped our business at a time when during lockdown I felt that no-one was listening to us.

“I just think they’ve been brilliant in so many ways and supporting so many unsupported companies like us. To other entrepreneurs I would say please do get in touch with the Growth Hub. They’ve been invaluable to us.”

Amanda Challans - mentor support

Adventurer and public speaker Amanda Challans runs an international change management consultancy based in Bristol. Amanda got in touch with the Growth Hub for support to grow her business.

“When you’ve got a lot of pressure and responsibility on yourself it’s really nice to have that feeling that someone else is part of this journey with you, and they’ve been with me every step of the way.”

She also benefited from the vibrant network of local businesses that the Growth Hub connected her to.

“One of the biggest benefits for local businesses is the network the Growth Hub has – I’m aware that they’re speaking to so many other businesses in the area. There’s that feeling that we’re all supporting each other to grow.”

Charlie Gardner, CGI Music - Trading Better Online

CGI Music is a music events and artist management business owned by Charlie Gardner.

Having never applied for grant funding before, the Growth Hub worked with Charlie to offer advice on the support available and give him access to the Trading Better Online programme.

Charlie said,

“I’m massively grateful for all the help and support that the Growth Hub has provided at this difficult time. It can be a bit of a lonely world running your own business so having a support system like that [the Growth Hub] is really invaluable.”
