Opportunity North Somerset		Opportunity North Somerset is open to all North Somerset residents (no restrictions) to help identify and outline a personalised employment and skills pathway, acting as a single point of access to find out more about: career development, youth opportunities, digital service access, apprenticeship and work experience, business start-up guidance and wellbeing support services. This support is available remotely and through Employment & Skills Hubs based in library spaces across North Somerset.		https://innorthsomerset.co.uk/skills-support/opportunitynorthsomerset/				●

Please note that the above list is a summary of key services available in the West of England. It is not intended to be a full list of all services, websites and information available within the region. Professionals delivering the services listed above will also be able to signpost to additional support where relevant and applicable.

These guides bring together the local, regional and national skills, training and employment services available to residents and businesses in the West of England.

The West of England Combined Authority has produced similar guides for the following areas:

- Workforce Skills, Training and Support Services for Businesses;
- Employability, Job Search, CV and Interview Preparation and Support for Gaining Employment;
- Traineeships, Kickstart, T-Levels and Apprenticeships;
- Upskilling, Reskilling and Progression within Work;

- Redundancy Support for Individuals; and
- Wellbeing, Mental Health, Neurodiversity, SEND and Individualised Support.

For further information or to notify us of any service, training and/or online tool to be included in future listings, please email skills@westofengland-ca.gov.uk

The organisations shown in the table are divided into the following categories:

 **Service**
 **Online tool**
